RE: Arizona's State Implementation Plan Revision, Rescission of Pinal County Rules

Dear Mr. ~~Jared~~ Blumenfeld,

Consistent with the provisions of Arizona Revised Statutes §§ 49-104, 49-106, 49-404, and 49-406, and the Code of Federal Regulations (CFR) Title 40, §§ 51.102 through 51.104, the Arizona Department of Environmental Quality (ADEQ) hereby adopts and submits to the U.S. Environmental Protection Agency (EPA) the *Request to Remove Several Pinal County Air Quality Rules from Consideration for Inclusion in the Arizona State Implementation Plan* as a revision to the Arizona State Implementation Plan (SIP).

The county rules identified in the enclosed request interfere with federal Clean Air Act requirements and therefore should be removed from Arizona's SIP. Pinal County conducted expedited rulemaking, with the Board of Supervisors formally adopting the proposed revision on August 26, 2015.

This SIP revision consists of copies of the authorizing statutes cited above (Enclosure 1) and the Pinal County rule repeal package described above (Enclosure 2). This letter and the attached enclosures are delivered to EPA through the eSIP submittal system pursuant to 40 CFR 51.103(a). If you have any questions, please contact me at (602) 771-2288.

Sincerely,

Eric C. Massey, Director  
Air Quality Division
